

Master Program of MTCSOL at Tianjin University

I. Course Objective

Master of Teaching Chinese to Speakers of Other Languages (MTCSOL) is a program which aims to cultivate high-level professionals who can teach Chinese as a second language both home and abroad, and undertake multi-type and multi-level teaching tasks worldwide.

To adapt to the international trend, Tianjin University starts to enroll foreign students majoring in Master of Teaching Chinese to Speakers of Other Languages (MTCSOL) from 2016 and offer Confucius Institute Scholarship to excellent applicants.

II. Duration

2 years

III. Curriculum

The total credits should be ≥ 38 credits: including compulsory courses (≥ 18 credits), optional courses (≥ 12 credits), teaching practice (6 credits) and dissertation (2 credits).
